I, GLORYA DUER, GUARANTEE MY PUPPIES AND OLDER DOGS TO BE IN GOOD HEALTH AND FREE FROM OBVIOUS DEFECTS TO THE BEST OF MY KNOWLEDGE. THIS ANIMAL IS BEING SOLD AS **PET QUALITY**.

**THIS GUARANTEE COVERS:** Problems that your veterinarian discovers at your initial visit that affect the dog's health and that are incurable. It also covers any defect that your vet may find at the initial visit, including hernias, heart murmurs, blindness, deafness, etc.

**THIS GUARANTEE DOES NOT COVER:** Any defect that does not present itself at the first veterinarian visit. Diarrhea, coccidiosis, wormy stools, ear infections/inflammations. Every effort is made to sell dogs free of these problems, but the guarantee does not cover them should they be present. Diarrhea is common with small puppies that have gone through a stressful period (getting a new home or changing their diet).

**Dog Diseases**

This puppy has been given all the immunizations and dewormings appropriate for its age, and it has been carefully protected from exposure to dog diseases. Please be careful to protect your puppy until it receives a series of 3 shots. My guarantee does not cover a puppy illness or death due to puppy disease after the sale.

**TO MAKE USE OF THIS GUARANTEE**

To validate this guarantee, a licensed veterinarian must examine the puppy within 72 hours of the date the puppy is received, excluding Sundays and holidays that the vet office is closed. Health problems that cannot be detected at the initial vet visit will **not be covered** by this guarantee.

**ALL VET BILLS ARE THE RESPONSIBILITY OF THE BUYER.**

**IF THE BUYER CHOOSES NOT TO HAVE THE DOG EXAMINED BY A LICENSED VET, THIS GUARANTEE IS VOID.**

Should there be a defect covered by this guarantee, the puppy will be exchanged with one of equal value when one is available, or your money will be refunded if no puppy comes available within 3 months of this contract date.

Terms for puppy replacement or refund are as follows:

1. Contact us the day of your vet visit and inform us of the defect. Leave a message if no answer.
2. Provide written proof from your veterinarian as to the nature of the problem.
3. Return the animal alive and in the same condition as when you bought it within 24 hours of notification of defect.
4. Return all registration papers when the dog is returned. This guarantee is void if all the papers are not returned.

**NOTE:** A **signed copy** of this contract must be **faxed** with either your deposit or your first payment if you are having the puppy shipped to you. If you are picking the puppy up, we will have the contract to sign at pickup.
